Behind TruePlay!

TruePlay is a young Startup based in Munich. We are a dynamic and sporty Team of four people with different skills and background.

Jochen – M.Sc. Sportsmtg, crazy about sports and numbers.

Dominik – Media Designer (UX/UI), Mr. 100%, Workaholic & Creative Brain

Christian – Ph.D. Informatics, 1010101010011, Backend

Mehdi – M.Sc. Informatics, Front End Genius

Your work:

Develop an MVP as a native App: Login, User Profile, Games Feed, Games Editor, Chat, Statistics & Rankings.

Why should you join?

- Work hand-in-hand with our experienced team members and get a great inside into a new startup.
- Be part of a young, flexible and diverse Team (Ger & Tun)
- Work with and learn from experienced professionals in IT
- Opportunity to join the team with a scholarship
- Easy going people, who are always up for some fun and jokes
